# SUBMITTAL: SMT ACCESS PANEL

**Model SMT for Masonry, Tile and Wallboard** This all purpose frameless 16 gauge steel access door affords fast and convenient access for inspection or service to vital components of plumbing, heating, air conditioning and/or electrical systems. The SMT is primarily used for new installations or remodeling on masonry, tile, wood or other wall surfaces.

The door is mounted to the 1" trim with a concealed continuous hinge and swings open for ease in servicing. The door is secured with screwdriver-operated cam locks, and a key-operated cylinder lock can be furnished in place of one cam lock. Screws may be used to fasten the SMT model securely in place through mounting holes in each corner.
