\*Indicates mark bracket standard. J Hook wall bracket standard with all other extinguishers. «JL extinguishers are shipped fully charged with the exception of the Grenadier P, 270 & 272.

Note: NFPA regulations also require extinguishers to be inspected when initially placed in service and all local fire code and tagging requirements must be adhered to. All fire extinguisher sizes are nominal. Contact Customer Service for more information about ordering tagged extinguishers in your area.
