

VELO PRIVACY SCREEN

An Innovative Concept for Adding Privacy to Doors and Windows

Air Louver's Velo Privacy Screen™ is a cost-effective system to add privacy to doors and windows blocking all light and vision.

Velo Privacy Screen Benefits:

Simple

- Completely block light and vision by simply pulling down
- Instantly retracts with a push of a button
- Installation takes minutes

Economical

- Less expensive than miniblind vision lites
- Works on existing vision lites

Universal

- Fits all manufacturer's vision lites
- Available for both vision lites & sidelites

Tested

- Tested to 10,000 cycles
- UL-Listed for use on up to 90 min. doors

Velo Privacy Screen Applications:

- Educational Facilities
- Hospitals and Clinics
- Conference Rooms
- Laboratories
- Warehouses
- Offices

VELO PRIVACY SCREEN

EASY TO ORDER:

- Measure the outside dimensions of your vision frame.
- Those dimensions are the order size of the privacy screen.
- The privacy screen can be ordered in any of Air Louver's 10 powder coat options.

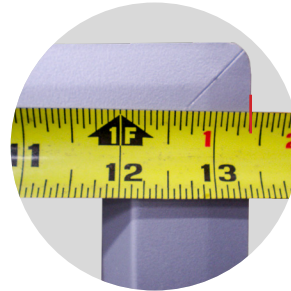

EASY TO INSTALL:

- Remove backing liner from pre-attached hook and loop fasteners.
- Align to vision frame and press firmly.
- Let set and then test your new privacy screen

EASY TO USE:

- Pull down on rigid pull bar; the shade will snap into place at the bottom.
- Press the button and the spring-operated roller retracts the shade.
- Durable and maintenance-free design
