

UP TO 3 HOURS*

VISION LITE - SLIMLINE™ SERIES ROUND VISION LITE - VSLR

Low profile Slimline™ Round vision lite mounts flush to the door providing a clean, aesthetic look. Designed to fit standard 1-3/4" doors and accommodates standard glazing thicknesses of 3/16" and 1/4".

SPECIFICATIONS:

Frame Material: 20 gauge cold rolled steel

Standard Finish: Mineral bronze powder coat

Fasteners: #8 x 1" Flathead Phillips screws to match finish

Diameter Sizes: 12" or 18" diameter.

Glazing Thickness: 3/16" - 1/4"

Compatible Air Louvers Glazing:

Fire-Rated: KFRF, PYRO, PPF, WS

Non-Rated: TEMP

OPTIONS:

PAKS: Glazing, vision lite, & UL10B glazing tape combined; UL10C applications.

Other: Torx screws, Intertek Warnock Hersey label, UL10C.

RATINGS:

UL listed and labeled to ANSI/UL10B UL10C and ULC-S104 when installed in properly rated and approved door. Ratings up to 3 hours, depending on the application, glazing and size.

Optional Intertek Warnock Hersey fire rated label. Ratings up to 1-1/2 hours, depending on door type, application glazing and size.

Interpretation of Fire and Building Codes May Vary. Consult with the Local Authority Having Jurisdiction (AHJ) to determine appropriate standards

NOTE:

Door Cutout Diameter = Order Size Diameter (D)

Glazing Diameter = Order Size Diameter minus 1" (D-1")

Exposed Glazing Diameter = Order Size minus 2" (D-2")

When installed in properly rated and approved door, ratings up to 3 hours can be achieved, with sizing restrictions.

- The exposed area listed in the chart determines the maximum size of frame to maintain fire-rating for that glazing.
- To calculate the exposed area of your VSLH order:**
(Order Width -2") x (Order Height -2") = Exposed Area
- For fire-rated glazing not on this chart, refer to its UL or Intertek File.** Use the smaller dimension listed between the UL or Intertek Warnock Hersey file and this chart.
- The minimum sizes listed are restricted by the manufacturing limitations - they do not affect the fire-rating.
- Interpretation of Building Codes may vary. Consult with the Local Authority Having Jurisdiction (AHJ) to determine appropriate standards.
- Please consult installation instructions for tape application.
